INFORMATION DISCLOSURE STATEMENT

Applicants request consideration of the references listed on the attached PTO-1449 form. Under 37 C.F.R. § 1.98 (a)(2)(ii), only copies of foreign patent documents and/or non-patent literature are enclosed.

This statement is being filed after a Notice of Allowance, but before payment of the issue fee in the above-identified application. Although the listed references were cited on a search report in a related foreign application more than three months previously, Applicants do not believe that they are material to the patentability of the allowed claims of the subject application. Nevertheless, Applicants respectfully request the Examiner's consideration thereof, or, if he is unable to do so, to place these references in the file-wrapper of the instant application.

The fees in the amount of \$180 are being paid concurrently herewith on the Electronic Filing System (EFS) by way of Deposit Account authorization. Please apply any other charges or credits to Deposit Account No. 06-1050 (Ref. 19662-029001).
